

Words and Expressions to Avoid

Jargon	Preferred Usage	Jargon	Preferred Usage
a considerable amount	much	for the reason that	because
a considerable number of	many	from the point of view	for
a decreased amount of	less	future plans	plans
a decreased number of	fewer	give an account of	describe
a great deal of	much	give rise to	cause
a majority of	most	has been engaged in a study of	has studied
a number of	many, some	has the capability of	can
a small number of	a few	has the potential to	can, may
absolutely essential	essential	have the appearance of	look like, resemble
accounted for by the fact	because	having regard to	about
adjacent to	near, next to	immune serum	antiserum
along the lines of	like	impact (v.)	affect
an adequate amount of	enough	implement (v.)	start, put into action
an example of this is the fact that	for example	important essentials	essentials
an order of magnitude faster	10 times as fast	in a number of cases	sometimes
apprise	inform	in a position to	able to
are of the same opinion	agree	in a satisfactory manner	satisfactorily
as a consequence of	because	in a situation in which	when
as a matter of fact	in fact (or leave out)	in a very real sense	in a sense (or leave out)
as a result of	because	in almost all instances	nearly always
as is the case	as happens	in case	if
as of this date	today	in close proximity to	close, near
as to	about (or leave out)	in connection with	about, concerning
at a rapid rate	rapidly, fast	in light of the fact that	because
at an earlier date	previously	in many cases	often
at an early date	soon	in most cases	usually
at no time	never	In my opinion it is not an	I think
		unjustifiable assumption that	
at present	now	in a small number of cases	rarely
at some future time	later, sometime	in order to	to
at the conclusion of	after	in relation to	toward, to
at the present time	now	in respect to	about
at this point in time	now	in some cases	sometimes
based on the fact that	because	in terms of	about
because of the fact that	because	in the absence of	without
by means of	by, with	in the event that	if
causal factor	cause	in the most effective manner	most effectively
cognizant of	C		
completely full consensus of opinion	aware of	in the not-too-distant future	soon
consensus of opinion	full	in the possession of	has, have
	full consensus	in the possession of in this day and age	has, have today
contingent upon	full consensus dependent on	in the possession of in this day and age in view of the fact that	has, have today because
count the number of	full consensus dependent on count	in the possession of in this day and age in view of the fact that in as much as	has, have today because for, as
contingent upon count the number of definitely proved	full consensus dependent on count proved	in the possession of in this day and age in view of the fact that in as much as incline to the view	has, have today because for, as think
contingent upon count the number of definitely proved despite the fact that	full consensus dependent on count proved although	in the possession of in this day and age in view of the fact that in as much as incline to the view initiate	has, have today because for, as think begin, start
contingent upon count the number of definitely proved despite the fact that due to the fact that	full consensus dependent on count proved although because	in the possession of in this day and age in view of the fact that in as much as incline to the view initiate is defined as	has, have today because for, as think begin, start Is
contingent upon count the number of definitely proved despite the fact that due to the fact that during the course of	full consensus dependent on count proved although because during, while	in the possession of in this day and age in view of the fact that in as much as incline to the view initiate is defined as is desirous of	has, have today because for, as think begin, start Is wants
contingent upon count the number of definitely proved despite the fact that due to the fact that during the course of during the time that	full consensus dependent on count proved although because during, while	in the possession of in this day and age in view of the fact that in as much as incline to the view initiate is defined as is desirous of is detrimental to	has, have today because for, as think begin, start Is wants harms
contingent upon count the number of definitely proved despite the fact that due to the fact that during the course of during the time that effectuate	full consensus dependent on count proved although because during, while while cause	in the possession of in this day and age in view of the fact that in as much as incline to the view initiate is defined as is desirous of is detrimental to is similar to	has, have today because for, as think begin, start Is wants harms resembles
contingent upon count the number of definitely proved despite the fact that due to the fact that during the course of during the time that effectuate elucidate	full consensus dependent on count proved although because during, while while cause explain	in the possession of in this day and age in view of the fact that in as much as incline to the view initiate is defined as is desirous of is detrimental to is similar to it has been reported by Smith	has, have today because for, as think begin, start Is wants harms resembles Smith reported
contingent upon count the number of definitely proved despite the fact that due to the fact that during the course of during the time that effectuate	full consensus dependent on count proved although because during, while while cause	in the possession of in this day and age in view of the fact that in as much as incline to the view initiate is defined as is desirous of is detrimental to is similar to	has, have today because for, as think begin, start Is wants harms resembles
contingent upon count the number of definitely proved despite the fact that due to the fact that during the course of during the time that effectuate elucidate	full consensus dependent on count proved although because during, while while cause explain	in the possession of in this day and age in view of the fact that in as much as incline to the view initiate is defined as is desirous of is detrimental to is similar to it has been reported by Smith	has, have today because for, as think begin, start Is wants harms resembles Smith reported I haven't bothered to
contingent upon count the number of definitely proved despite the fact that due to the fact that during the course of during the time that effectuate enucidate employ	full consensus dependent on count proved although because during, while while cause explain use	in the possession of in this day and age in view of the fact that in as much as incline to the view initiate is defined as is desirous of is detrimental to is similar to it has been reported by Smith it has long been known that	has, have today because for, as think begin, start Is wants harms resembles Smith reported I haven't bothered to look up the reference
contingent upon count the number of definitely proved despite the fact that due to the fact that during the course of during the time that effectuate elucidate employ enclosed herewith	full consensus dependent on count proved although because during, while while cause explain use	in the possession of in this day and age in view of the fact that in as much as incline to the view initiate is defined as is desirous of is detrimental to is similar to it has been reported by Smith it has long been known that	has, have today because for, as think begin, start Is wants harms resembles Smith reported I haven't bothered to look up the reference apparently, clearly
contingent upon count the number of definitely proved despite the fact that due to the fact that during the course of during the time that effectuate elucidate employ enclosed herewith end result endeavor	full consensus dependent on count proved although because during, while while cause explain use enclosed result	in the possession of in this day and age in view of the fact that in as much as incline to the view initiate is defined as is desirous of is detrimental to is similar to it has been reported by Smith it has long been known that it is apparent that it is believed that	has, have today because for, as think begin, start Is wants harms resembles Smith reported I haven't bothered to look up the reference apparently, clearly I think (or say who thinks)
contingent upon count the number of definitely proved despite the fact that due to the fact that during the course of during the time that effectuate elucidate employ enclosed herewith end result	full consensus dependent on count proved although because during, while while cause explain use enclosed result try	in the possession of in this day and age in view of the fact that in as much as incline to the view initiate is defined as is desirous of is detrimental to is similar to it has been reported by Smith it has long been known that it is apparent that it is clear that	has, have today because for, as think begin, start Is wants harms resembles Smith reported I haven't bothered to look up the reference apparently, clearly I think (or say who thinks) clearly
contingent upon count the number of definitely proved despite the fact that due to the fact that during the course of during the time that effectuate elucidate employ enclosed herewith end result endeavor	full consensus dependent on count proved although because during, while while cause explain use enclosed result try	in the possession of in this day and age in view of the fact that in as much as incline to the view initiate is defined as is desirous of is detrimental to is similar to it has been reported by Smith it has long been known that it is apparent that it is clear that It is clear that It is clear that much additional work will be required for a complete understanding	has, have today because for, as think begin, start Is wants harms resembles Smith reported I haven't bothered to look up the reference apparently, clearly I think (or say who thinks) clearly
contingent upon count the number of definitely proved despite the fact that due to the fact that during the course of during the time that effectuate elucidate employ enclosed herewith end result endeavor entirely eliminate	full consensus dependent on count proved although because during, while while cause explain use enclosed result try eliminate	in the possession of in this day and age in view of the fact that in as much as incline to the view initiate is defined as is desirous of is detrimental to is similar to it has been reported by Smith it has long been known that it is apparent that it is clear that It is clear that It is clear that much additional work will be required for a complete understanding it is evident that a produced b	has, have today because for, as think begin, start Is wants harms resembles Smith reported I haven't bothered to look up the reference apparently, clearly I think (or say who thinks) clearly I don't understand it
